

GTT (Glucose Tolerance Test)

A GTT checks for diabetes. The test checks how your body uses glucose (sugar). This test is often done during pregnancy. Your doctor has ordered a

- One hour test
- Three hour test
- Four hour test
- Five hour test

Arrive on time for your test.

To Prepare

- Do not eat, drink or chew anything for at least 8 hours before your test.
- Do not smoke the morning of the test.
- Ask your doctor if you should take your medicines the morning of the test. If so, take with sips of water only.

During the Test

- Your blood sample is taken with a needle.
- You are given Glucola to drink. It is very sweet. Drink it all.
- Do not eat or drink anything except water until the end of the test.
- Your blood is taken each hour for the length of the test. Return to the lab a few minutes before each blood sample.
- If you **do not feel well** at anytime, tell the staff right away.

After the Test

- You may eat and drink again.
- Test results are sent to your doctor. Your doctor will share the results with you.

Talk to your doctor or nurse if you have any questions or concerns.
